3. Fill out the form and select the register button
4. You will get a message that your registration is pending. Look out for an email that your registration has been approved.

Logging In

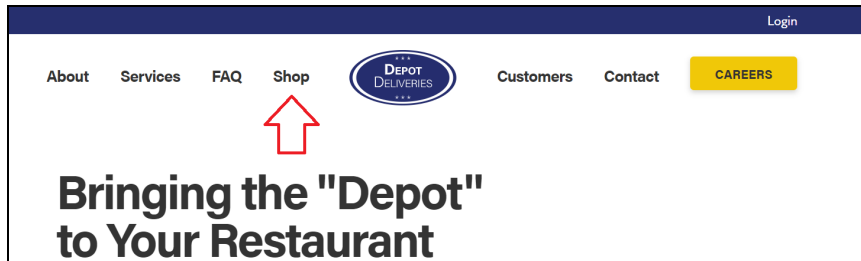

1. Select Login at the top right of your screen.

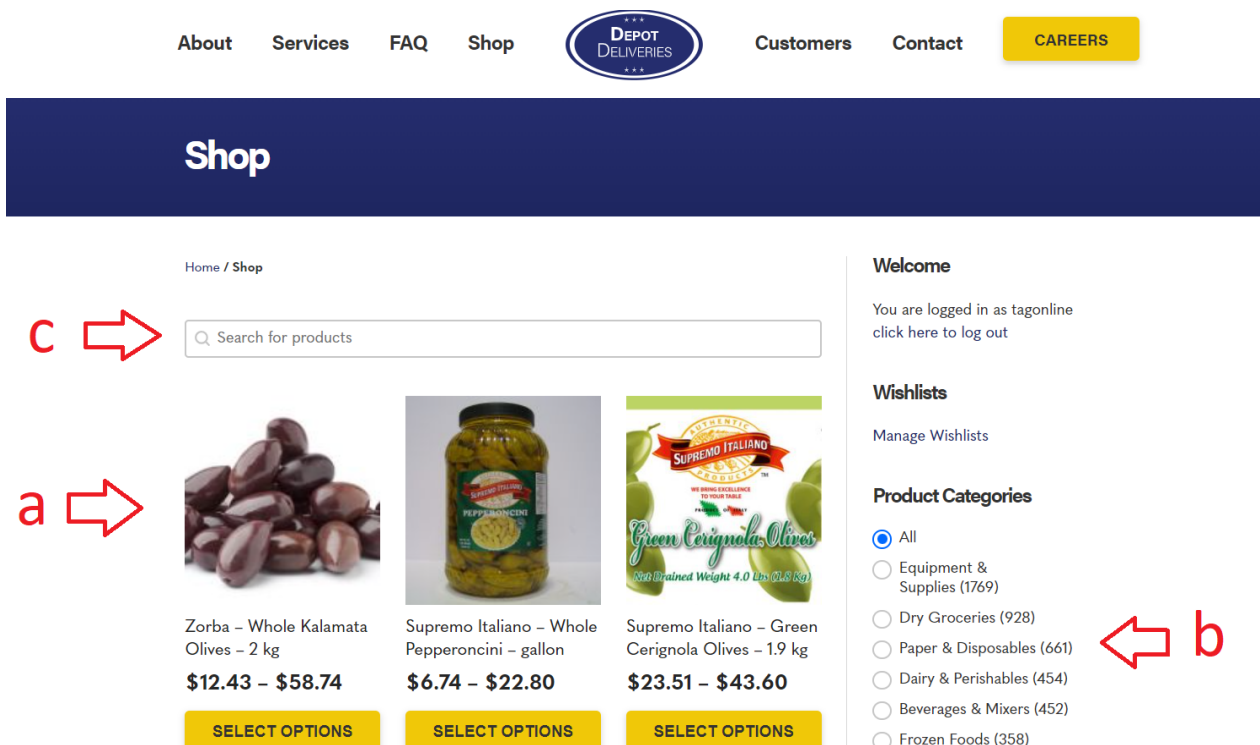

2. Log in using the credentials you used when creating your account.

Adding items to your cart

1. Go to shop

2. You can browse in a couple of different ways.
 - a. Browse by searching through the list as-is
 - b. Browse by selecting a category to the right (or below if on mobile)
 - c. Browse by using the search box. You can search by name, SKU, item number, or keywords (such as potato).

3. Many items only have an “Add to Cart” button but some have a “Select Options” button. The ones that say “Select Options” gives you the option to add a **Unit** or a **Case** of that item to your cart.

Checking out

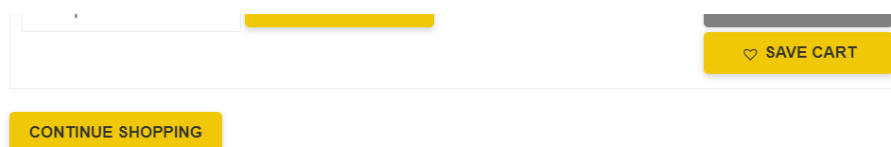

1. When you are ready to checkout, go to your shopping cart. You can either access it from the button you saw in the last step, or by selecting the Cart Icon in the top right of the page.

2. Review the items in your shopping cart. If you need to make changes you can either press the red X to remove an item or change the quantity and press the "Update Cart" button.

3. If you are happy with your cart, select, "Proceed to Checkout"

Cart totals

Subtotal	\$116.74
Total	\$116.74

4. On the checkout page, fill in your billing information.
 - a. If your shipping information is the same as your billing information, you can leave the “Shipping to a different address” checkbox unchecked.
 - b. If the shipping information is different, select the checkbox and fill out the shipping information. You can give this address a nickname if you have multiple addresses that you ship to. You will learn about adding multiple addresses later in this tutorial.
